GLOBAL EXHIBITION INDUSTRY GATHERS AT AWE

全球展覽業界雲集亞博館

AsiaWorld-Expo (AWE) hosted the 92nd UFI Global Congress from 19 to 22 November, marking the event's return to Hong Kong after 25 years. The exhibition industry's largest global gathering, officiated by Hong Kong Special Administrative Region Financial Secretary Paul Chan, attracted over 600 global exhibition leaders from more than 50 countries.

In a speech delivered at the opening, Airport Authority Hong Kong (AAHK) Chairman Fred Lam highlighted that Hong Kong International Airport (HKIA)'s exceptional connectivity, with flights connecting to more than 200 destinations worldwide, makes AWE an ideal location for international events. This advantage is further strengthened by its proximity to the Hong Kong-Zhuhai-Macao Bridge,

offering convenient access to the Greater Bay Area (GBA) market. He also expressed confidence that the completion of Airport City project SKYTOPIA will further enhance Hong Kong's position as the region's hub of exhibition and conference.

第92屆「UFI全球年會」於11月19日至22日在亞洲國際博覽館舉行，這個全球展覽業規模最大的會議睽違25年後再度在香港登場，由香港特別行政區財政司司長陳茂波擔任主禮嘉賓，吸引了來自逾50個

國家、超過600名國際展覽業領袖前來參加。

香港機場管理局主席林天福在開幕典禮致辭，指出香港國際機場擁有四通八達的航空網絡，提供前往全球逾200個航點的航班服務，令亞博館具備地利優勢，成為舉辦國際盛事的理想地點。此外，亞博館毗鄰港珠澳大橋，便利參展商往來粵港澳大灣區市場。林主席同時表示，他深信機場城市項目SKYTOPIA實現後，將進一步鞏固香港作為區域會議展覽重鎮的地位。

HKIA DEEPENS REGIONAL TIES AND GREETES CAAC DELEGATION

機場加強區域合作及接待 中國民航局代表團

On 8 December, HKIA welcomed a delegation led by the Civil Aviation Administration of China Deputy Director General Ma Bing. The group toured the HKIA Brand Centre for an overview of the airport's latest developments, with a spotlight on the SKYTOPIA project.

This commitment to regional ties and innovation was echoed earlier on 3 December. Airport leaders from Hong Kong, Guangzhou, Shenzhen, Zhuhai and Macau, including AAHK CEO Vivian Cheung, gathered at the annual meeting of the Five Airports of the GBA, hosted by Macau International Airport.

The meeting emphasised stronger collaboration among GBA airports, aiming to boost connectivity and drive sustainable growth. Key discussions included coordinated route development, smart technology integration and strategies to position the

region as a world-class aviation hub. All five airports reaffirmed their commitment to deepening cooperation and jointly promoting high-quality development in the GBA aviation sector.

於12月8日，香港國際機場接待由中國民用航空局副局長馬兵率領的代表團到訪。代表團參觀了香港國際機場品牌中心，了解機場的最新發展動向，並獲重點介紹了SKYTOPIA項目。

香港機場管理局推動區域合作與創新發展的努力，亦於早前12月3日由澳門國際機場主辦的「粵港澳大灣區五大機場主席會議」中充分展現。會議匯聚來自香港、廣州、深圳、珠海及澳門五地機場的領導層，其中包括機管局行政總裁張李佳蕙。

會議強調加強大灣區機場之間的合作，旨在提升連繫並推動可持續增長。討論重點包括協調航線拓展、智能科技整合，以及將該區域定位為世界級航空樞紐的策略。五個機場一致重申加強合作的承諾，共同推動大灣區航空業的高質發展。

A FOUNT OF LOVE

暖意流轉 傳遞關懷

As we entered the holiday season, Hong Kong International Airport (HKIA) transformed itself into the city's most attractive destination, featuring festive decorations and a selection of seasonal performances.

The mood of celebration began as visitors arrived at the airport, with the Crystal Elevator showcasing a festive video that added a touch of holiday cheer to their airport experience.

Passengers arriving at HKIA were also greeted by the Enchanted Christmas Castle, featuring a magnificent 12-metre-high clock tower in Arrivals Hall A, illuminated by a multimedia light show and an interactive LED screen featuring Santas preparing for Christmas.

Over at Arrivals Hall B, the Christmas Performance Stage hosted local choirs, who treated travellers to a series of carol concerts, alongside special appearances by renowned Hong Kong soprano Jeffie Leung. Visitors were also treated to a whimsical show featuring Santa

Claus with flying reindeer and a gingerbread man, complete with dancers and singers soaring gracefully through the air, topped off by a magical surprise as Santa Claus swooped in to spark holiday spirit.

The festivities extended to airside, where parades of vibrantly coloured puppets and dancers entertained travellers, while Santa made surprise appearances to spread festive cheer.

Airport Authority Hong Kong (AAHK) staff and airport partners joined in the celebrations through a series of special activities, including a new Pre-Christmas Auction in early

December. Organised by the Board Liaison & Coordination Department and AA Staff Club, the auction featured unique souvenirs collected through AAHK's global collaborations. All proceeds supported the AA Charity Fund, spreading warmth and goodwill to kick off the holidays.

AA Staff Club organised Christmas Carol and Christmas Punch Needle workshops, while the members of the HKIA Staff Clubhouse unleashed creativity in Mini Christmas Tree and Christmas Candle workshops. Surprise Christmas parades across HKIA offices and the Landside Staff Cafeteria delighted staff, who enjoyed sweet treats that turned ordinary workdays into moments

A WINDOW ONTO CHERISHED MEMORIES

回首昔日年華

As the gateway to the city for many visitors, Hong Kong International Airport (HKIA) has long been an important showcase of Hong Kong's culture, in addition to being a vibrant transportation hub. This cultural role is elevated to a new level by the latest exhibition on display at the airport, which transports visitors back half a century with a nostalgic recreation of the streets of 1970s Hong Kong.

Presented by the airport in partnership with McDonald's Hong Kong, the exhibition "City Reflections: Through Time and Change" opened on 19 December. It features street scenes from the 1970s, with a selection of classic Hong Kong shops that are sure to instantly summon up the atmosphere of the era, including a recreation

of the city's first McDonald's restaurant in Paterson Street.

That McDonald's restaurant, complete with the era's original menu and authentic retro decor, is one of the exhibition's five zones. Other highlights include a Retro Electronic Store filled with vintage gadgets and advertising; a Classic Boutique showing off retro style, from clothes to suitcases; and an East-meets-West Pharmacy where the medicines of the past come to life, both local specialities and international cures. For a genuinely immersive experience, visitors can take a stroll through the Neon

1 TOP OF THE WORLD FOR CUSTOMER EXPERIENCE

世界級旅客體驗

Hong Kong International Airport's (HKIA) commitment to constantly improving the experiences of passengers has been recognised in the most emphatic manner, with the accolade of "World's Leading Airport for Customer Experience" at the 32nd World Travel Awards. This is the first time the airport has received the honour, which was presented at a ceremony in Bahrain on 6 December.

Improving the customer experience is a top priority at HKIA, reflected in the introduction of new amenities, improved infrastructure and greater personalisation. The airport recently elevated that commitment with the innovative introduction of city tours, offering the roughly 5.5 million transit passengers a year with layovers exceeding seven hours a chance to sample the best of the city free of charge.

香港國際機場致力持續提升旅客體驗，其努力近日在國際上獲充分肯定，於第32屆「世界旅遊獎」中獲選為「全球最佳顧客體驗機場」。這是香港國際機場首次奪得此項殊榮，頒獎典禮於12月6日在巴林舉行。

提升旅客體驗是香港國際機場的重點工作，從新設施、基建升級到貼心的個人化服務均可見一斑。最近，機場更推出創新的「免費中轉遊」服務，讓每年約550萬名轉機逗留超過七小時的旅客

免費暢遊香港，進一步展現其追求卓越服務的決心。

2 FOSTERING THE INDUSTRY OF THE FUTURE

培育未來行業力量

Airport Authority Hong Kong's (AAHK) recent participation in two events showcased its ongoing commitment to developing Hong Kong's aviation and tourism industries.

AAHK CEO Vivian Cheung delivered a keynote speech at the inaugural "NextGen Tourism Summit: Leading the Experience Economy" on 22 November, highlighting how SKYTOPIA will transform HKIA into a vibrant Airport City. Organised by the School of Hotel and Tourism Management at the

Chinese University of Hong Kong Business School, the event hosted academics and industry leaders, who discussed the future of tourism. It aimed to inspire participants, including emerging talents, to envision new possibilities for Hong Kong's tourism landscape.

On 5 and 6 December, AAHK hosted the Airport Youth Career Day, featuring more than 25 organisations from the airport community, career talks from professionals and various services for jobseekers. The event provided young people with more than 1,500 job opportunities, reinforcing AAHK's role in nurturing the next generation of talent for Hong Kong's aviation industry.

香港機場管理局近日參與兩項活動，實踐致力推動香港航空業及旅遊業長遠發展的承諾。

機管局行政總裁張李佳蕙於11月22日出席首屆「新世代旅遊峰會：引領體驗經濟」，並擔任主講嘉賓，闡述如何透過SKYTOPIA項目將香港國際機場建設成充滿活力的機場城市。該活動由香港中文大學商學院酒店及旅遊管理學院主辦，邀得多位學者與業界領袖聚首一堂，共同探討旅遊業的未來方向。會議旨在啟發參加者及年輕新秀，鼓勵他們為香港旅遊業構想嶄新發展藍圖。

其後，機管局於12月5日至6日舉辦「機場青年就業資訊日」，匯聚超過25家機場同業機構參與，設有專業講座及多元就業支援服務，讓青年人深入了解行業發展。活動提供超過1 500個就業職位，進一步加強機管局為香港航空業培育新血的角色。

3 TAKING THE LEAD IN CIVIL AVIATION

引領民航新時代

AsiaWorld-Expo hosted the first ever Airspace Asia Pacific, a gathering of air traffic control providers organised by the Civil Air Navigation Services Organisation, from 9 to 11 December. The event drew more than 2,000 visitors and over 85 exhibitors from 60 countries.

As an exhibitor, AAHK showcased the extensive connectivity of HKIA and its technological evolution into an integrated smart airport. AAHK Executive Director, Airport Operations Steven Yiu also joined the panel discussion “From Silos to Synergy: How Hong Kong is Shaping the Future of Collaborative Airport Operations”, sharing how HKIA leverages data-sharing models to enhance operational efficiency.

Recent industry accolades highlight the regional influence of AAHK's and one of its joint ventures. AAHK was recognised in the Travel and Hospitality category at the “GBA Awards of Excellence 2025”, organised by the *Hong Kong Economic Journal*. Hong Kong-Zhuhai Airport Management

Company Limited, the AAHK joint venture that manages Zhuhai Airport, was given the Smart Airport Technology Innovation Award at the 13th International Smart Airport Development Meeting in Shanghai, China. Together, these accolades underscore AAHK's commitment to strengthening connectivity within the Greater Bay Area.

由民用空中航行服務組織主辦的首屆「亞太航空空域展覽暨會議」於12月9日至11日在亞洲國際博覽館舉行，讓航空交通管制機構的代表一同交流，活動吸引了來自60個國家、2 000多名訪客及超過85間參展商參與。

香港機場管理局亦以參展商身分參與，展示香港國際機場遍及全球的航空網絡，以及透過科技發展邁向綜合型智慧機場的成果。機管局機場運行執行總監姚兆聰亦出席討論環節「從分隔到協作：香港如何塑造機場協作營運的未來」，分享香港國際機場如何透過數據共享，加強營運效率。

機管局及旗下其中一間合資公司近日屢獲殊榮，反映其在區內航空業的重要地位。機管局於《信報財經新聞》主辦的「大灣區品牌卓越大獎2025」中，榮獲旅遊與酒店組別獎項；而其負責管理珠海機場的合資公司珠港機場管理有限公司，則於中國上海舉行的第13屆「國際智慧機場發展大會」上，榮獲「智慧機場技術創新獎」。這些獎項印證了機管局持續推動粵港澳大灣區航空互聯互通的努力。

4 COMMUNITY RALLIES IN SUPPORT OF TAI PO

社區同心支援大埔災民

The fire at Wang Fuk Court in Tai Po has deeply affected people across Hong Kong and around the world. Yet, amid the sorrow, it has also inspired a spirit of generosity in support of those who were affected. Members of the HKIA community have joined these efforts, helping raise over HK\$20 million in total.

Companies that have contributed include AAHK, the Cathay Group, Hong Kong Airlines Limited, Hong Kong Air Cargo Terminals Limited, Hong Kong Aircraft Engineering Company Limited, Asia Airfreight Terminal Company Limited, Aviation Security Company Limited, HKIA Services Holdings Limited, Hong Kong Business Aviation Centre, Greater Bay Airlines Company Limited, LSG Sky Chefs Hong Kong Limited, Plaza Premium Group, Menzies CNAC Aviation Services Limited, Tradeport Hong Kong Limited, DHL Aviation (Hong Kong) Limited, Worldwide Flight Services, The Staffs and Workers Union of Hong Kong Civil Airlines and more.

Their donations, along with those from individuals within the airport community will be given to “Support Fund for Wang Fuk Court in Tai Po”, established by the Hong Kong Special Administrative Region Government.

大埔宏福苑大火令全港乃至世界各地的人都深感哀痛，但在悲傷之中，社會亦展現出滿滿的關懷與善意，以行動為受影響的居民送上支持。香港國際機場社區亦積極響應，表達心意，共籌得善款超過2,000萬港元。

參與捐助的機構包括機管局、國泰集團、香港航空有限公司、香港空運貨站有限公司、香港飛機工程有限公司、亞洲空運中心有限公司、機場保安有限公司、香港國際機場服務控股有限公司、香港商用航空中心、大灣區航空有限公司、LSG Sky Chefs Hong Kong Limited、環亞集團、中航明捷航空服務有限公司、香港商貿港有限公司、敦豪空運（香港）有限公司、環美航務及香港民用航空事業職工總會等。

這些企業及機場同業員工的善款，捐予由香港特別行政區政府設立的「大埔宏福苑援助基金」。

PROACTIVE SAFETY MEASURES AT HKIA

積極提升機場的安全防護

The exceptional level of attention paid to the highest standards of safety and preparedness at Hong Kong International Airport (HKIA) was confirmed by two recent significant developments.

The readiness of HKIA to respond to major health emergencies underwent a thorough test during an infectious disease exercise, codenamed WuDang-25.

Organised with the Department of Health and Cathay Pacific, the exercise simulated the discovery of a suspected case of Middle East Respiratory Syndrome on an incoming flight. The scenario triggered a cascade of contingency measures involving various departments of Airport Authority Hong Kong (AAHK), government departments, medical units and other organisations.

In total, 220 people from 20 organisations took part. Notably, the Fire Services Department's Outbreak Control and Response Team joined an airport exercise for the first time, deploying its new Infection Control and Critical Care Transfer Ambulance.

HKIA's proactive approach to customer care was further highlighted by the Fire Services Department's "Big Heart Award - Social Responsibility Award" for its widespread provision of automated

external defibrillators (AEDs) under the "AED Anywhere for Anyone" Programme. This initiative promotes wider public awareness and use of cardiopulmonary resuscitation and AEDs. AAHK is one of just 26 organisations to receive the award, representing valued recognition of its dedication to caring for everyone at the airport.

These efforts underscore AAHK's dedication to providing all passengers with a safe, secure, worry-free travel experience.

香港國際機場一向以最高安全標準及完善的應變準備為目標，近期兩項重要舉措再次印證這份承諾。

香港國際機場應對重大公共衛生事故的能力，早前在代號為「武當-25」的傳染病應變演習中接受全面測試。

演習由香港機場管理局、衛生署及國泰航空聯合舉行，模擬一架抵港航班上出現懷疑中東呼吸綜合症個案的情境，觸發機場多個部門、政府部門、醫療團隊及多個機場同業機構啟動緊急應變機制。

當天共有220名來自20個機構的參加者一同演練。其中，消防處疫情控制及應變專隊首次參與機場演習，並出動全新的感染控制及危重症運送救護車。

此外，香港國際機場因積極照顧旅客需要提升急救設施，獲消防處頒發「『有心機構』社會責任獎」。

該獎項表彰機場廣泛提供自動心臟除顫器，以支持「AED睇得到 用得到」計劃，提高公眾對心肺復蘇法及自動心臟除顫器的認識及使用。機管局是全港僅26間獲獎機構之一，表揚其關懷旅客與社群的努力。

這些措施充分體現機管局對安全與關懷的重視，致力為每位旅客提供安全可靠的可出行體驗。

SHOWCASING AIR CARGO EXCELLENCE

彰顯空運卓越成就

Industry leaders gathered at the Hong Kong Convention and Exhibition Centre on 17 and 18 November for the 15th Asian Logistics, Maritime and Aviation Conference (ALMAC), where Hong Kong International Airport (HKIA) showcased its leadership in shaping the future of global connectivity.

As it has since 2015, HKIA co-hosted the Air Freight Forum at the event with the Hong Kong Trade Development Council. This year, the forum featured two panel sessions, with experts sharing insights on current challenges and emerging opportunities, while discussing strategies to strengthen Hong Kong's role as the gateway to Asia, as well as the attributes that make the city to be the preferred international cargo hub for perishable goods destined for the Greater Bay Area.

This year's ALMAC attracted about 2,300 visitors from over 40 countries and regions, along with 90 exhibitors and more than 80 speakers.

The pre-eminence of Airport Authority Hong Kong (AAHK) in the cargo industry was also demonstrated by a collection of accolades at the "Hong Kong ICT Awards 2025", held on 21 November.

Organised by the Digital Policy Office of Hong Kong Special Administrative Region Government, the Awards have been widely recognised as the annual flagship event of the local industry since their debut in 2006, with the aim

of building a locally embraced and internationally acclaimed ICT brand.

This year, AAHK received the Smart Mobility Grand Award and the Smart Mobility (Smart Logistics) Gold Award for its Hong Kong Air Import SmartCollect, which digitalises the entire end-to-end import cargo collection journey at cargo terminals through the new initiative of electronic Shipment Release Forms to improve cargo journey traceability and user experience. AAHK was also given the Smart Mobility (Smart Logistics) Silver Award for HKIA Cargo Connect, the world's first airport-led initiative to empower airline partnerships through an innovative, intelligent, interconnected digital ecosystem for the air cargo industry, reinforcing HKIA's position as a preferred global air cargo hub. The recognition underscores the strong collaboration within Hong Kong's air cargo community and reaffirm AAHK's commitment to innovation and excellence.

在塑造全球運輸未來發展的領導地位。

自2015年起，香港國際機場一直與香港貿易發展局在該活動中合辦「空運論壇」。今年的論壇設有兩場專題討論，邀請多名行業專家探討當前面臨的各種挑戰與新機遇，剖析加強香港作為通往亞洲地區樞紐地位的策略，並就香港成為粵港澳大灣區鮮活貨品首選國際貨運樞紐所依仗的獨特性進行了深入交流。

本屆「亞洲物流航運及空運會議」吸引約2 300名來自超過40個國家及地區人士參與，匯聚90家參展企業和逾80位講者，規模盛大。

香港機場管理局在貨運領域的領導地位，亦於11月21日舉行的「2025香港資訊及通訊科技獎」中再獲肯定。

該獎項由香港特別行政區政府數字政策辦公室主辦，自2006年創辦以來，一直被公認為本地資訊及通訊科技界的年度盛事，旨在塑造深受本地歡迎、享譽國際的資訊科技品牌。

今年，機管局憑「香港空運進口取貨數碼通」獲頒「智慧出行大獎」及「智慧出行（智慧物流）」金獎。該系統透過嶄新的電子提貨單，將空運貨站的進口取貨流程全面數碼化，提升了貨運流程的追蹤性及用戶體驗。機管局亦憑「HKIA Cargo Connect」數碼方案奪得「智慧出行（智慧物流）」銀獎。這項全球首個由機場推出、旨在通過創新、智能及互聯的航空貨運數碼生態系統的方案，

促進航空公司之間的合作，進一步鞏固香港國際機場作為全球首選空運樞紐的地位。這些獎項彰顯香港航空貨運業界的緊密合作，並再次肯定機管局一直對創新與卓越的不懈追求。

SALES OF ICONIC SOUVENIRS TO HELP SUPPORT MARINE AND FISHERIES PROJECTS

標誌性紀念品義賣 支持海洋及漁業項目

The vibrant marine life surrounding HKIA has been captured in a series of plush keychains. Created in collaboration with the local designer of the much-loved cartoon cat DinDong, the collection is available for purchase at HKairportShop.com.

A colourful reminder of the varied treasures of Hong Kong's

western waters and the importance of marine conservation, the toys feature four distinct marine species in Hong Kong's western waters, including Chinese white dolphins, oysters, gorgonian coral and fish. Proceeds from their sale will be donated to AAHK independent Marine Ecology Enhancement Fund

and the Fisheries Enhancement Fund, which support marine conservation and sustainable fisheries around the Airport island.

STAFF GET IN A PICKLE

機場員工同玩匹克球

The sport of pickleball has taken the world by storm in recent years – and staff at Hong Kong International Airport (HKIA) had another chance to try it out for themselves at the Social Pickleball event on 7 December, following the resounding success of the previous session in November.

The Sunday session, held at the Multi-purpose Sports Hall of HKIA Clubhouse, brought together nearly 150 airport staff, including Airport Authority

Hong Kong (AAHK) Chairman Fred Lam and CEO Vivian Cheung. It offered a fun-filled afternoon featuring a professional coaching session, mini pickleball games, prizes and light refreshments.

A fast-moving pairs sport that combines elements of tennis, badminton and table tennis, pickleball has been a big hit among airport staff, making the sessions a perfect blend of fitness and relaxation.

匹克球運動在近年風靡全球，香港機場管理局於11月首次為香港國際機場員工舉辦匹克球活動，反應熱烈，於12月7日（星期日）再次舉辦匹克球活動，讓員工再度體驗這項運動。

活動於當天下午在機場員工會所體育及多用途活動廳舉行，吸引近150位機場員工參加，包括機管局主席林天福及行政總裁張李佳蕙。當天氣氛輕鬆愉快，場內設有專業教練指導、匹克球迷你遊戲、獎品及茶點，讓員工在運動之餘放鬆身心。

匹克球是一項節奏明快的雙打運動，融合了網球、羽毛球及乒乓球的特色，廣受機場員工歡迎。

STAFF ACE TENNIS TOURNAMENT

機場員工網球賽 熱鬧上演

Every budding Roger Federer or Li Na working at HKIA got the chance to showcase their skills in a spirit of friendly rivalry at the Airport Authority Cup tennis competition in December.

The tournament, held at the HKIA tennis courts, marked the first competitive event since the courts opened earlier this year. AAHK CEO Vivian Cheung and Executive Director, Airport Operations Steven Yiu officiated at the opening session, while TV celebrities Tony Hung and Aska Cheung took part in a friendly game to kick off a series of exciting matches.

More than 70 staff members battled it out on court, competing

across four categories: Men's Singles, Women's Singles, Men's Doubles and Mixed Doubles. The Airport Authority Cup not only celebrated athletic talent but also strengthened connections among HKIA staff, making it a memorable start to many more sporting events to come.

熱愛網球的香港國際機場員工於12月齊集球場，參加「機場管理局盃網球比賽」，在友好競技的氣氛下展現球技。

比賽於香港國際機場網球場舉行，亦是球場自今年啟用以來的

首項賽事。機管局行政總裁張李佳蕙及機場運行執行總監姚兆聰主持開幕儀式，並邀得電視藝員洪永城及張馳豪參與友誼賽，為賽事揭開序幕。

今次比賽共有70多位員工參與，分成男子單打、女子單打、男子雙打及混合雙打共四個組別。機場管理局盃不僅展現了員工的運動才華，更加强了彼此之間的聯繫，開啟了日後其他體育賽事的精采篇章。
